

The IQhub LOVES Teachers

2022-23 Teacher Referral Program
Presented by MSU Federal Credit Union

BACKGROUND:

The IQhub is a 501c3 non-profit organization that values real-world and hands-on experiences for growing minds, specifically about agriculture and the environment. We understand the importance of students knowing where their food comes from and how to preserve the Earth, because they will be the future consumers and leaders of our planet! This is why the IQhub offers a Teacher Referral Program for educators that bring their students to the IQhub and refer other teachers to join in on the fun too. MSU Federal Credit Union has generously funded this program to support teachers in the 2022-23 school year.

INCENTIVES:

- \$25 Gift Card = Teachers that refer new teachers who participate in an IQhub Field Trip.
- \$100 Gift Card = Teachers have the opportunity to win this gift card in an end-of-school-year drawing. Teacher's name will be entered in the drawing for every new teacher referred. More referrals = more entries!

HOW IT WORKS:

- \$25 Gift Card
 - Teachers who participate in an IQhub Field Trip and refer a new teacher to book an IQhub Field Trip for the first time, will receive this gift card.
 - When the newly referred teacher participates in an IQhub Field Trip, they need to tell the IQhub Staff who told them about the IQhub.
- \$100 Gift Card – End of School Year Grand Prize Drawing
 - Teachers who have already received \$25 Gift Cards will be entered in the Grand Prize drawing. One entry per referral with no limit on the number of times your name can be entered! More referrals = more entries!
